

# NumScoil Teacher - One Page Quick Reference

Website: <https://www.numscoil.ie> | Teacher Dashboard: <https://www.numscoil.ie/homework/teacher/> |

Admin: <https://www.numscoil.ie/admin/>

## Login & Setup

1. Go to **<https://www.numscoil.ie>** and login with your credentials
2. Bookmark your teacher dashboard: **<https://www.numscoil.ie/homework/teacher/>**
3. Share your **student registration code** (provided separately) with students
4. Students will be **automatically added to your class** when they register!

## Student Registration (What to Tell Students)

"Go to **<https://www.numscoil.ie>** → Sign Up → Use this code: [YOUR\_CODE] → You'll be auto-enrolled!"

## Create Homework (5 Minutes)

Admin → Homework → Homework Assignments → Add Homework Assignment

Field	Example
Title	"Differentiation Week 1"
Topic	Select topic (e.g., Differentiation)
Description	"Complete all tasks by Friday"
Due Date	 <b>REQUIRED</b> - Select deadline
Assigned Classes	Select your class

Field	Example
Is Published	<input checked="" type="checkbox"/> Check to make visible to students

**Add Tasks** (scroll to bottom):

1. **QuickFlicks** (Order: 1) - "Watch intro video"
2. **Topic Section** (Order: 2) - "Complete 5+ questions"
3. **Flashcard Set** (Order: 3, Optional) - "Review flashcards"

Click **Save** → Students see it immediately!

## Check Progress

Teacher Dashboard → Click any assignment → View Progress

Symbol	Meaning	Symbol	Meaning
✓	Completed	○	Not completed
●	Overdue	LATE	Submitted late

**Weekly Report:** Class name → Weekly Report → Print for records

## Task Types

Type	What Students Do	Auto-Complete When
Topic Section	Practice questions (AI feedback)	Submit any answer
Exam Question	Past Leaving Cert questions	Attempt question
QuickFlicks	Watch tutorial videos	View video
Flashcard Set	Flashcard practice	Attempt flashcards

## Pro Tips

✅ **Start simple** - 2-3 tasks for first assignment ✅ **Videos first** - Begin with QuickFlicks to introduce topics ✅ **Check mid-week** - Monitor progress Wednesday to help struggling students ✅ **Use draft mode** - Uncheck "Is Published" to prepare in advance ✅ **Auto-tracking** - Tasks check off automatically when students work!

## Quick Troubleshooting

Problem	Solution
Students can't see assignment	Check "Is Published" is checked
Need to add students	Share registration code - auto-enrollment!
Edit published assignment	Admin → Homework → Find assignment → Edit
Student says task not showing	Ask them to refresh page
Assign to multiple classes	Ctrl/Cmd + click to select multiple

## Full Guides Available

- **TEACHER\_QUICKSTART\_GUIDE.md** - 10-minute setup guide
- **TEACHER\_USER\_GUIDE.md** - Complete reference manual

## Your First Week Action Plan

**Day 1:** Login + Share registration code with students **Day 2-3:** Students register (auto-enrolled in your class) **Day 4:** Create first homework assignment (keep it simple!) **Day 7:** Check progress + adjust future assignments

**Support:** Check full guides or contact your school administrator | **Questions?** See **TEACHER\_USER\_GUIDE.md**
